### Forms Tab FAQs

When should I use the **New Life Group Request Form** used for?

It is used to communicate a request for a group that meets the following description. Life Groups meet at least twice per month and may meet on the church campus or in the home of a group member. Life group meetings contain a devotional time, group activities, and an opportunity for prayer. The shared interests of the Life Group members might be a book study, a Bible study, or anything else the group desires to do together, but that does not detract from the message of the Bible. AL Life groups exist as opportunities to engage with one another and encourage our relationship with Christ.

Why do we have an **Accident/Incident Reporting Form**?

Abundant Life believes that there are certain incidents which must be immediately reported and documented. The church provides this method for reporting these "reportable incidents," as defined in our Accident/Incident Reporting Standard Operating Procedure. These incidents must be reported to designated church leadership.
